**Website** - we have changed the website domain name to [ftna.org.uk](https://ftna.org.uk). This is to provide easier access to the site by using this abbreviation (no www is required). Please would members update their bookmarks and favourites.

**For members** – please see the Home page of the website for urgent and update messages in red at <https://ftna.org.uk> and guidance for logging in and changing passwords for the members' area.

**Emails** – we are now using shorter email addresses with the suffix [@ftna.org.uk](mailto:@ftna.org.uk), so e.g. [enquiries@ftna.org.uk](mailto:enquiries@ftna.org.uk). Please would members update their address book contacts.

**For members and authors of *Magna* articles** – please see the Editorial page at <https://ftna.org.uk/editorial/>. This provides details of the next issues of *Magna* magazine and information for authors contributing articles in future editions.
