

TNA BOOKSHOP DISCOUNT

In future, in order to receive your FTNA Member's discount in the bookshop, you will need to write the Bookshop Discount Code on the back of the Bookshop's till receipt. This Code can be found on our website ftna.org.uk in the Members' secure area under 'Publications'.

The Code changes in January each year.

If you don't have access to the Members' secure area of the website, please contact membership@ftna.org.uk. Someone will check that you are eligible and advise the Code.

If you have forgotten your Password please follow the instructions on the Website.

If you have not registered for the website, and would like to do so, please contact membership@ftna.org.uk and we will arrange for you to be set up.
